As of 1/18/19 the Town of Hempstead building department has granted access to the results of a visual assessment of properties affected by Hurricane Sandy. In part these assessments determine the relative safety of the structure and the necessity for building permits. Each property was color coded based on amount of damage: Red indicates possible moderate to substantial damage, Yellow indicates possible minor to moderate damage and Green indicates no damage. This property is identified as green. For additional information, please order a Preliminary Damage Report.
