

The screenshot displays the TitleFlex web application interface. At the top, a navigation bar includes 'HOME', 'FLEXSEARCH', 'ORDER PORTAL', and 'CUSTOMER CENTER'. The user's name 'PAUL' is visible in the top right corner. The main content area is divided into several sections: a search bar on the left, a central dashboard with a green instruction box, and a map on the right. The search bar includes a dropdown for 'Search By' (set to 'Address') and a text input field. Below the search bar is a sidebar with 'Advanced Search' and various report categories like 'Company Packages', 'Property Data Reports', 'Document Images', and 'Automated Valuations'. The central dashboard features a green box with the text 'Start your search in the box to your left. You can also start a search using the map tools to your right.' Below this are buttons for 'Notifications', 'Chat', and 'Help'. A 'Recent Activity' section lists 'PROPERTY SEARCHES', 'DOCUMENT IMAGES', 'DATA EXPORT & LABELS', and 'MULTI PROPERTY REPORTS'. An 'Order Portal Notifications' section shows 'RECENT ORDER ACTIVITY'. The right side of the interface features a map with various controls and a chat window at the bottom right. Callout boxes with red borders and white text point to these specific elements.
